

Summer Celebration for Families and Children

Sunday, Aug. 27 1-3

Water slide! Touch-a-Truck

food crafts fun!

Everyone is welcome!
www.highlandumc.org

School starts for many of our children the next day--so this is a great day to celebrate.

- We will have a LARGE water slide on the front lawn so wear your swimsuit and bring a towel!
- Craft table--we'll make something fun
- Food--hot dogs, popcorn, etc.
- Cars and trucks! In the parking lot we will have a variety of service and work vehicles that the children can safely explore. --Additions and changes throughout the event, so keep an eye out!
- **School Supplies!** During the event we will be collecting school supplies to help kids here in Raleigh and around the world. So while you are doing your shopping--pick up a few extra items to help others. You can find more details about our supply collection and a list of items needed here.

No need to RSVP, but if you would be willing to volunteer to help with a shift at the craft table or supervising the slide please contact Amy Takahashi.
